A recently arrived immigrant was sitting at his home - terrified after going to his first game of footy. His mate came in and saw how scared he was and asked what was wrong. "I am not ever going back to the Melbourne Cricket Ground again!" the new arrival said. "After the game I saw thousands of people running around the carpark yelling "We wuz robbed! We wuz robbed!!!"

SEPTEMBER IS NEW GENERATIONS MONTH.

Good Morning All.
Bonjour Marie Elvire.

It seems the entire club has gone off on holidays, so I’m off to see where they’ve all gone. When I find them I’ll let you know. While I’m away I’ll catch up with one of our original charter members, Steve Carew in Queensland. So Platts, I think that is classified as a Make Up? Thanks to Brian for filling the chair for me while I am interstate. We have an invitation from the Rotary Club of Long Island to their 30th Birthday on the 8th October; so if any members would like to join the Long Island gang to help them celebrate their club milestone, please let me know.

Members, please be aware that the Club annual fees are to be paid immediately so Platts can get his books to balance.

Thanks to Gavin for organising the helpers for this Sunday’s ‘I Love Frankston’ fun run at Saint Francis Xavier Primary School (8 Park Street Frankston) 8.00 a.m. briefing. I’ll see you there.

I trust all members are diligently sourcing prospective members to bring along to the Membership morning being organised by Peter Cracknell on Wednesday 28th September with Kevin ‘Cowboy’ Neale as the guest speaker.

Congratulations to Marie on completing her Deb Ball on Saturday night. From all accounts she was by far the best-looking and most sophisticated girl there.

Woma is running in this year’s Melbourne Marathon to help raise funds and awareness for the Neuroendocrine/Carcinoid Cancer. Could all members get behind Woma and support him through donations?

Have a great week,

Shane

Last Meeting:

President Shane welcomed back Peter Hose and Marie and said that Ross Luxford is off again, boating this time. He is concerned that the annual dues for some members are still outstanding. The planning for the Blackwood golf weekend has commenced with Keith to contact Tony. Shane passed around leaflets advertising the Ageing Well Expo on Thursday 6th October. Most members had access to these but if more information is needed contact Ageing Well at Peninsula Health on 9784 8320.

The absence of our Guest Speaker means Staples will probably pay for the no-show.

Secretary's Report:

Peter had apologies from Brian Coughlan, Bob Barr, Bob Smith, Laurie Warfe and Yan Robins. The mail included an invitation to join in RC Yarram's Golf Day.

Treasurer's Report:

David has \$22,849.95 in the Community Service account and \$4,973.31 in the General Account. He urgently wants payments of \$240, Annual Subscription to be paid ASAP.

The Bank Account for the subs is Frankston Sunrise Rotary Club General Account

BSB: 633 108 Acc: 1316 41839

Attendance:

We had a continuing well below average 46% of Active members present and 75% of Honorary members. Shane asks that those not on holidays attend regularly.

Sorry David for doubting you, I didn't know that we have one less Honorary.

Reports:

Peter C reminded us once again that the special Membership meeting will be on Wednesday 28th September. He asked that we bring genuine membership prospects to the meeting as the Club will be paying for their breakfast. A go-karting evening is being planned.

Roscoe has spoken to Judy Smith and found that Ian is still in hospital being treated for Cellulitis. Jason had a letter from World Vision giving administration information. We have had contact from Peter Barnett of Kimberley 2-Way Exchange wanting to interest us in sending up nine students who would go to the Kimberley and on return home-host nine kids from up there. John Albery gave a blow by blow rundown on his recent heart problems and was extremely pleased to fly from Ceduna to Adelaide in the care of the Royal Flying Doctor Service. His Cardiac Rehabilitation classes have shown him his bad habits. Carrying a soluble aspirin in each jacket, in case of a heart attack, is his message to all.

Sergeant-at-Arms:

The Sugarman was unexpectedly in the chair, and with Peter C's and Marie's help, ran an earlier than usual session to punish the innocent few. The group fine knocked over everybody, as nobody knew Australia's World Cup opponents. Peter Cracknell, Peter Richards, Peter Hose, Peter Womersley, Shane, Jason, Ross Luxford and all Geelong supporters suffered - for lateness, being a grandpa again, holidaying, something I can't read, draftsman v. architect, a speeding fine, holidaying again and team loyalty.

Gem of the Week:

AN OLDIE BUT TOPICAL

A child took the extraordinary step of divorcing himself from his parents as they regularly beat him.

The judge decided to place the child with his grandmother.

The child became agitated and said

"She beats me worse than my mum and dad"

The judge decided the child should live with his aunt.

"She beats me worse than my mum, dad and grandma together"

The judge needed time to deliberate and the case was adjourned.

Next session, the judge announced he would be awarding custody to the Port Adelaide Football Club because after much thought, it was decided they couldn't beat anyone.

A Matter Of Punctuation:

An English professor wrote the words,

"Woman without her man is nothing" on the whiteboard and directed his students to punctuate it correctly.

The men wrote: "Woman, without her man, is nothing."

The women wrote: "Woman! Without her, man is nothing."

Guest Speaker: Peter Hose – Roaming with Gail

Poor Peter was unexpectedly thrust into a report on his trip. This told us yet again why so many of our members are regularly absent in the Centre. Bluey is the next to head off there.
